

# Palm Beach Gardens Elementary

## PTA Membership Form

### What is the role of the PBGE PTA?

Our school's PTA is made up of parents, grandparents, teachers and friends who care about the children of Palm Beach Gardens Elementary. It serves three main purposes: (1) to foster community among the families whose children attend; (2) to provide support and volunteers for our teachers and staff who work so hard to deliver a top notch education to each of our children, and (3) to raise much needed funds to enable the school to provide a wide range of programs and extras the school's annual budget would normally not allow.

### Why should we become members?

To show your child(ren) how important Palm Beach Gardens Elementary is to you and how you truly value the ability to connect with the school on a fundamental level. To help your child's school become a better place. Help improve your child's education and experience at PBGE.

### How much time do we have to commit as members?

NONE! You may give as little or as much time as you would like to volunteer at our school. Joining the PTA is one small way to show your support for your children and our whole school community. Come by the front office and register as a volunteer today! **Remember that every volunteer must re-register every year, regardless of which school you volunteered in last year. Registration is also a must to drive on fieldtrips. Get this done early!**

We encourage you to attend our monthly meetings. Please note that these will be held on

**Tuesdays at 6:30 PM** in the Media Center unless announced otherwise. Come have refreshments, meet new people, win door prizes and learn about your school's activities.

Please send us your ideas and suggestions! **PBGEPTA1@gmail.com** Email is our best communication tool.

You can also follow us in **Facebook** at **www.facebook.com/pbgespta**

Please become a PTA member to stay informed! Simply complete and detach the bottom portion of this letter.
